## WE ARE THE SHELTON "WHAT'CHA'MA'CALL'ITS"

If you are tired of our championship women's softball team being called simply that - the women's softball team, then please read on. The college has grown until we need a logo, symbol, etc. to go with our green and gold colors. The symbol, name that is chosen should be able to be used not only for sports but in all phases of the college. So put your thinking caps on. Do you want to be the tigers, braves, warriors, etc. There is a free pizza for the winner. Just put your name on your idea and drawing and turn it in to me, Lucy Kubiszyn, or to Steve King.

## FORD TAKES STUDENTS TO DAUPHIN ISLAND

Dr. Bennie Ford along with his class of Biology 102 (Zoology) students attended marine biology field trip this past week-end. As Ford and his students traveled to Dauphin Island, their trip focused on marine animal life or basic oceanographic. They examined marine marsh, mudflat, estuaries along the coastal water's edge. The class left Friday and returned Sunday. Part of the time was spent on a research boat in the bay and gulf.

## MUSICALE COMES TO SHELTON

The students in applied music in voice and piano will present a "Musicale" on Thursday, May 19, at 11 a.m. in the auditorium. The program will consist primarily of solo performances of students in areas of voice and piano except for a five - ten minute finale from "Showboat." Emcee for the event is Paul Looney.
